

# Membership Report September 15, 2017

The following are some comparisons with the membership on August 15, 2016 and August 15, 2015. This is not a very fair comparison as this year the figures are for a month later than in the two previous years and more people have renewed their membership for the 2017 – 2018 year. However the trend is in an upward direction. Great stuff!
