

**Bio for Programme – Return to SM by \_\_\_\_\_**

*Choose one side of this paper to fill in – do not complete both.*

*If you wish to write your own bio, please use the space below. The following guidelines might be helpful to you:*

- Write in the third person.
- Keep it simple.
- Keep it short – three or four sentences.
- List a few things you have done in theatre (productions and roles). If you've been in many shows, mention only the most recent or the ones where you had the largest roles.
- Include backstage experience – a few areas you've worked on.
- If this is the first time you've been on stage or with Shuswap Theatre, say so.
- Perhaps say something about yourself as a person, something you're involved in outside of theatre.
- Maybe a sentence about your experience in this production.
