Director's Notes

It is hard to believe that this marks the 50th season for Shuswap Theatre. What began as a love of theatre has grown into 50 seasons of friendships, creativity, challenges, laughter, and countless unforgettable moments. I am incredibly grateful to be a part of this wonderful theatre community.

Fiddler on the Roof is especially meaningful to me as it is my third directing experience for Shuswap Theatre. This beautiful story reminds us of the importance of family, tradition, community, and the courage it takes to face change.

At its heart, *Fiddler on the Roof* asks a simple but powerful question: How do we hold on to what matters while finding the strength to embrace what comes next?

Working with this talented cast and creative team has been a privilege. Their dedication, generosity, and passion have brought the people of Anatevka to life in ways that I hope will touch you, make you laugh, and perhaps even bring a tear to your eye.

As you watch the story unfold, I invite you to look beyond the traditions and circumstances of Anatevka and see the very human story underneath - a story about love, family, dreams, change, and finding your place in the world.

Thank you for joining us, and thank you to Shuswap Theatre for 50 remarkable seasons.

Enjoy the Show!
