

Front of House AGM report 2024

There are 22 fantastic Front of House volunteers able and willing to help at each show.

Everyone participates in the orientation sessions held in early November.

The Orientation sessions are less than an hour long. It doesn't take long to go through the safety procedures. There is always some discussion and the new volunteers can ask lots of questions.

There were 3 or 4 new volunteers from the theatre's 2023 Fall Fair booth.

If anyone wants to be a FOH volunteer - please let me know.

Thanks, Pauline Waelti
